

# BUILDING A QUALITY OF LIFE FOR GENERATIONS TO COME

Welcome to RJV Construction, where becoming a part of our team isn't just a job;  
**IT'S A WAY OF LIFE.**

RJV Construction is an underground utility contractor based in Canton, MA, specializing in water and sewer enhancements. The legacy of our family-owned business goes back to 1921, and today we're proud to be a leading construction company in the area.

At our core are four guiding principles: **quality, teamwork, passion, and dedication.** These values are instilled in our work every single day.

As a part of the RJV family, you'll receive the respect and support needed to grow personally and professionally. With access to the latest technology and equipment, there's no limit to what you can achieve here.

Join us in providing reliable water and sewer services to the Greater Boston Area and Building a Quality of Life for Generations to Come!

## QUALITY

Taking pride in our craftsmanship. Do it right, do it once.

## TEAMWORK

Putting the health and well-being of our employees first, working side by side to get the job done.

## PASSION

Driven to succeed and overcome any challenge all while enjoying what we do.

## DEDICATION

Devoted and loyal to our clients and our fellow employees.

## PIPE LAYER / LABORER

RJV Construction is looking for a full-time Pipe Layer/Laborer to install water and sewer systems on one of our crews. If you are organized, hard working, and team focused, RJV can provide an excellent opportunity to work on major contracts in the Boston area.

**Please note that this is a full-time, benefits-eligible position that is seasonal and typically runs 9-10 months out of the year.**

RJV Construction Corporation is an affirmative action/equal opportunity employer. We are always seeking qualified/hardworking individuals to join our team. RJV offers competitive compensation for salaried positions and excellent benefits including; Health/Dental, 401k match, Paid Time Off, and Holidays.
