

# BUILDING A QUALITY OF LIFE FOR GENERATIONS TO COME

## QUALITY. TEAMWORK. PASSION. DEDICATION.

These are the values that we pride ourselves on at RJV. We work hard to build a quality of life for not only the communities we serve, but also for our employees. RJV is not just a construction company, but a family of hard-working and dedicated individuals ready to get the job done right. If you are excited to join a growing team with a long history in construction, RJV could be the perfect fit for you!

### QUALITY

Taking pride in our craftsmanship. Do it right, do it once.

### TEAMWORK

Putting the health and well-being of our employees first, working side by side to get the job done.

### PASSION

Driven to succeed and overcome any challenge all while enjoying what we do.

### DEDICATION

Devoted and loyal to our clients and our fellow employees.

## DIESEL MECHANIC

RJV Construction is looking for a full-time diesel motor mechanic to work on our fleet of dump trucks and heavy equipment, including loaders, backhoes, excavators, and more. If you are an experienced diesel mechanic with a CDL license, don't hesitate to apply!

### Primary Responsibilities Include:

- Perform repairs and preventative maintenance on RJV's fleet of light and heavy trucks and heavy equipment, including but not limited to loaders, backhoes, excavators, vacuum excavation equipment, etc.
- Inspect brake systems, steering mechanisms, wheel bearings, and other systems to make sure they are in working order
- Inspect and repair hydraulic and electrical systems on vehicles and equipment
- Use scanning tools and equipment to diagnose any mechanical issues
- Perform scheduled routine maintenance on all trucks and equipment
- Travel to construction job sites as needed to perform onsite maintenance and repairs
- Stock service truck with necessary parts and fluids for daily maintenance and repairs
- Receive and complete all work orders in a timely manner
- Order new parts and materials
- Assist other mechanics and welders when needed to ensure that all work is completed

**BUILDING A QUALITY OF LIFE  
FOR GENERATIONS TO COME**
